Re: Breeana George v. Riverside Park Conservancy
20-CV-9732 (AT)(KHP)

Your Honor-

My firm is Plaintiff's counsel in the above referenced matter. I write with Defendant's consent requesting a stay of discovery and other proceedings pending the parties' attendance at a settlement conference scheduled with Magistrate Parker for August 20. The parties held one productive session and prefer to focus their efforts and conserve resources in the hope of reaching a resolution.

Fact discovery and depositions are currently set to close September 15; this request would extend that to October 10; expert discovery is currently set to close October 29, this request would push that to November 23. No previous extensions have been requested.

Thank you for your consideration.

Sincerely Yours,
